

## Free Report Use Your Intuition to Get More Sales, Clients, Cash Flow

Hi, my name is Dr. Ida Greene, Business, Sales, Mystic. What sets apart the top 2 % of successful coaches is they are using their intuition to guide their business decisions, convert more clients and increase sales. My Intuition Magic program, help Coaches, Entrepreneurs, Speakers, and Healers, use their intuition to create their six figure business.

Coaches, speakers, entrepreneurs, and healers spend thousands of dollars every year on programs, products and coaching as a means of growing their business. What most of them don't realize is that the number one strategy that can help them get more clients, lead more powerfully and serve more fully is a strategy that is free and at their fingertips 24/7-- their intuition!.

Our intuition is the GPS, the inner guidance of our soul. When we coach, work and lead from our soul, people connect to us with their heart instead of their intellect. And our heart is where all magic occurs. When you use your Intuition, you will have more charisma, energy, aliveness and become more visible to your ideal clients and business partners. Then you can make a more powerful impact and be seen as a powerful leader. As a leader, you make better business decisions when you tap into your intuition, to guide, help with your influence positions you as a person to know, with whom, someone should connect. In our Intuition Magic Group Coaching Program, we will teach you how to use your intuition, your inner psychic, to know who to trust, and who not to trust, who to approach, who to avoid, and who is the best person to help them grow and develop their business. We show you how to use your intuition to read the buying signals of your clients, so they easily buy from you. When you use your intuition, you project an Inner White light that draws people to you it like a magnet, so they sign up quicker for your offer. When you are able to read the fears, anxieties, and objections in the mind of others, it makes sales easier. If you think you are already using your intuition, take the Intuition Quiz now to find out: <https://form.jotform.com/73211447684155>
